

BEE FRIENDLY AWARDS

In association with the Bee Friendly Trust

The Bee Friendly Trust launched its Bee Friendly Awards in 2021, to encourage communities around the UK to celebrate bees and pollinators where they live by transforming unused spaces into nature havens and habitats.

The Bee Friendly Awards are open to all – villages, towns, cities, parishes, schools, community groups and more are welcome to apply.

Bee Friendly status is awarded annually in May. The 2026 winners will be announced on Wednesday, 20th May 2026.
